Dear Mr. Ryan:

According to a letter from your office dated May 10, 1995, The NRA Political Victory Fund's 30 Day Post-General Report (10/20/94-11/28/94), is incorrect. Your letter states that there is a discrepancy between the sum of the entries itemized for line 11, Schedule A, and the total amount reported on the Detailed Summary Page.

Upon review of the Post-General Report, we find no error. In preparing our Form 3X, we use a computer software program that adds the figures and transfers the Schedule page totals to the proper location on the Detailed Summary page. Enclosed is a copy of Schedule A. Attached to the enclosed copies are adding machine tapes totalling each page. The total of the pages, \$58,768.21, is the same figure as originally reported to the Commission.

A second request concerns the identification of each contributor's employment information whose yearly contribution exceeds \$200.00. Enclosed is a copy of the letter requesting employment information that is sent to contributors who have exceeded the \$200 limit. This letter is in addition to request that are printed on original solicitations, as well as contribution acknowledgements, and satisfies the "best efforts" provision.

If you have any questions, please call me at (703) 267-1155.

Sincerely,

MaryRose Jennison
PVF Treasurer
